Copier Printer Facsimile Scanner

Smart office assistant

Harnessing the power of the cloud, these smart multifunction printers automate everyday document processes, leaving you free to focus on your core business activities.

Intelligent workflow tools:

- Intuitive user interface
- Ricoh Smart apps
- Cloud-share services
- Smartphone connection

Ricoh's super-sized 10.1 inch Smart Operation Panel is host to a suite of intelligent workflow tools.

Pre-installed Smart apps, such as ID Card Copy, automate time-consuming processes.

More applications can be installed on demand. It is easy to print from and scan to smartphones and tablets, and critical documents can be scanned in color directly to DropBox™ or Sharepoint™.

Simply more productive:

- 37 & 45 ppm print speeds (letter)
- 14 - 68 lb. Bond (52 - 256 gsm)
- Large paper capacity
- Offline stapler option

Despite their advanced functionality, Ricoh's new multifunction printers are surprisingly easy to set up and support. With their compact design and quiet operation, they are a perfect fit for every office.

Ricoh's installation wizard simplifies setup. To safeguard information, they support tap and go authentication and confidential documents can be securely locked, pending release.

Clever energy saving features reduce power consumption and contribute to a low total cost of ownership.

A friendly and affordable solution:

- Space saving design
- Secure authentication
- Confidential printing

To save time, double-sided originals are scanned in a single pass. The first immaculate 1200 dpi print is ready in under 6 seconds. Multipage documents are produced at speeds of 37 or 45 pages per minute and can be quickly collated using the Offline Stapler option. The optional High Capacity Paper Trays further enhance productivity. It is easy to print onto envelopes and labels. And, with the printer switching from one tray to another, you need never run out of paper.
