## Get more from your Intelligent Devices

### Work-flow Efficiency

You can tailor settings for individual users for quick access to apps which are used more often. The new small sized paper scanning units allow you to scan smaller documents much more conveniently, and the expanded paper tray capacity allows you to work more efficiently. Automatic firmware upgrades ensure that your devices are at maximum security so you can have peace of mind

### Smart Operation Panel

Our range of intelligent devices come fitted with a 10.1" Smart Operation Panel designed to enhance your productivity and mobility.

### Ease of Use

Quick access to Web Help Tools via RICOH Intelligent Support help customers to complete simple tasks like toner replacement quickly and easily. Our consistent user interface across your Ricoh fleet provides an optimal and familiar experience everywhere and anywhere. Other than RICOH native applications in our intelligent devices, we have also collaborated with third party solutions to optimize your document management workflow.
