Powerful solutions at your fingertips.

At Ricoh, we aim to optimise efficiency and simplify workflow for your daily office tasks. These compact A4 color multifunction products are designed to offer powerful solutions to streamline your workflow. Control job-specific applications and get quick access to the functions you need most with the intuitive, touch-screen Smart Operation Panel. All models come complete with a robust Intel® processor and high speed Single-Pass Document Feeder (SPDF), maximising your office performance and productivity.

- Solution-ready and smooth operation with Intel® processor
- Easy navigation with intuitive 10.1 inch Smart Operation Panel
- Minimise company expenditures with low printing cost and Total Cost of Ownership (TCO)
- High-speed SPDF to handle high demand scan jobs
- Print on-the-go from mobile devices via AirPrint, Mopria and Ricoh applications

Designed to optimise your business needs

High productivity in a compact body.

The SPDF increases scanning efficiency by allowing you to complete your office tasks in half the time. The small footprint of the machine enables it to be installed for any type of work group, even with a tight working space.

Seamless workflowwith intuitive technology.

The Smart Operation Panel enables fuss-free setup and easy operation for all users. Together with Intel®
 processor, the panel offers smooth operation packed with a variety of advanced software solutions that suits different office requirements.

Smart connectivity.

The devices support various operating platforms that allow printing and sharing your documents securely on-the-go with your mobile devices.
The myriads of solutions such as AirPrint, Mopria, and Ricoh Smart applications caters to your different document management and printing needs.

Maximise cost-savings.

Reduce your company's operating cost with the high-yield toner, that helps to minimise your TCO even for high print volume needs. Furthermore, the devices come with one of the lowest Typical Energy Consumption (TEC) in its class, which can further optimise your daily cost-savings.
